

Q3 ACADEMY – A Passion for Learning:

At Q3 Academy our ethos has an important role to play –in helping shape an understanding of appropriate behaviour, meaningful relationships and family values; it is the cornerstone of a commitment to care, compassion and contribution.

The Academy has a passion to encourage students to build firm foundations for their lives where respect, trust, determination, responsibility and creativity will be valued as drivers for educational success.

The name of our Academy is derived from the Latin “Quaerere” meaning to seek for. Three ideals have been chosen:

To seek for that which is good
To seek for that which is right
To seek for that which is true

In joining our Academy therefore we have high expectations of our students and expectations can be outlined as:

Respect – for one another and the environment

Excellence – in personal, social and academic endeavour

Aspiration – to maximise potential

Commitment – to engage positively

Holistic – to develop the ‘whole person’ with determination to be “the best” in all aspects of your school journey

Working together we can:

REACH for new heights
REACH for greater success
REACH for exciting opportunities
